

I wanted to introduce you to David Douglas High School Football! My name is Cal Szueber and I am the Head Football Coach at David Douglas High School. We are on the verge of some exciting times for Scots Football! There are several reasons to want to play football for David Douglas in 2019:

1. Coaching

Your Head Varsity Coach has won over 100 games in his career, along with 10 state playoff teams, one state finalist and a state semi-finalist. I expect similar results here at DDHS!

2. Facilities

We have incredible facilities and are a 1 high school district, which is rare in the Portland area, offering a unique and unified setting to our program.

3. Football Scheme

Our program is geared toward putting our players in an advantage offensively and defensively by using unique techniques that set us apart from the current trends in high school football. Our goal is to get the ball to whichever playmaker the defense is most vulnerable to (run or pass).

4. Standards

Grades, behavior and attitude are expected to meet our strict standards in order to participate. We show respect to adults and opponents.

5. Long Term Goals

We want men in our program to grow to be good fathers, husbands and leaders of the community long after your playing careers are over. We want every man in our program to learn to respect women. If you've done all of that, the coaching staff has done its job.

6. Our team is about WE, not Me.

Our players are selfless and care about doing what is best for the team and others.

We will be going to a high school team camp in July (15th -18th) that will feature 15 other high school teams competing in scrimmages, passing league, lineman league, Kansas Plan scrimmage tournament, and so much more. The cost is \$150 and a camp Waiver form must be completed. **I NEED TO KNOW WHO IS COMMITTING TO BEING AT CAMP** (if you plan on being a varsity starter, you should be there and practicing starting July 2). **PLEASE EMAIL ME BACK WITH A YES OR NO ON ATTENDING CAMP and when can you pay the fee** (to DDHS athletic office). I am attaching the Camp Form and Waiver form, and there are copies outside the Athletic Office.

You must be passing 5 classes to be eligible and go to football camp!

I am also attaching a copy of the tentative summer schedule (also found outside the athletic office).

Feel free to contact me with any questions. We would love for you to join us and be a part of the new era of David Douglas Football, one that will see success on and off the field and have great young men grow together as teammates and brothers together in the great Scot family!

Sincerely,

Cal Szueber
Head FB Coach
